

EMI Independent Study Programs

Application for College Credit

Lower division college credit is now offered through Frederick Community College at \$60 per semester hour, and each course is eligible for 1 semester hour unless otherwise indicated. To apply, select the courses you would like credit for from the list below, complete the requested student information, and enclose a check or money order for the appropriate amount payable to Frederick Community College. Also, include full addresses for any institutions you would like to receive an official transcript. Students must complete the course prior to submitting this application for college credit.

Student Information: All information must be provided to process your request.
